QUALITY POLICY

AVS We commit to secure our customer's tomorrow by providing ethical, efficient. And effective & value added security services which in turn will strengthen our brand credibility and enhance customer satisfaction level.

AVS Security provides security services for both public and private sector domains including Retail, corporate, Construction and event Security .It is the policy of **AVS** Security Services to provide its customers with an on time and cost effective security services.

To achieve this objective, it is essential that the Quality Management System be maintained to ensure its effectiveness. The procedures and practices outlined in the quality manual are there for that purpose and to satisfy the requirements.

This policy provides a framework for establishing and reviewing quality objectives, and also includes a commitment to comply with requirements e.g. customer, statutory and regulatory and to continually improve the effectiveness of the quality management system.

This QMS is to help us provide confidence to our customers and therefore the implementation and communication of the quality policy is mandatory for all our employees, this is also to ensure staff understanding, implementation and maintenance.

CODE OF CONDUCT

- AVS will do business only with companies that desire “Quality Services”
- AVS will conduct its business in an absolute transparent manner
- AVS will pay all its employees on time irrespective of whether the customer had paid AVS on time or not
- AVS will comply with all Government Statutory payment on time.
- AVS will be accountable and answerable to its customers.
- AVS will lay a fargreater emphasis on customer retention as compared to growth.
